

## Information on ISAP2020 booth exhibition and corporate technical seminar recruitment

Dear Exhibitors and future exhibitors,

The 2020 International Symposium on Antennas and Propagation (ISAP 2020) will be held at the Knowledge Capital Congr s Convention Center in Osaka, Japan from October 26 (Monday) to 30 (Friday), 2020. This symposium is held every year in Japan and other Asian countries with the support of the US IEEE, etc., and this is the first time in four years since Okinawa in 2016 in Japan. It expects 1,000 participants from inside and outside Japan, which is the largest of all ISAPs till now.

We will inform you of the “information on ISAP 2020 booth exhibition & corporate technical seminar” held in parallel with the general technical sessions in ISAP 2020 symposium. This event is attended not only by the domestic and overseas antenna and propagation engineers and researchers but also by students. We hope you can develop new businesses and exchange between industry and academia through this exhibition.

Please refer to the attached application guidelines and consider exhibiting.

Details of ISAP2020 will be posted on the following website:
